## HOW YOUR BUSINESS CAN HELP ALDS *'Make a Difference'*

This letter is to request your support by providing us with a donation or alternatively, a donated item that you would consider could be used as an auction item or raffle prize. The money raised from auctions and raffles last year helped to provide families and individuals with many practical items to enhance their lives and comfort.

*Please give consideration to supporting our group, and therefore our families who will benefit greatly, not only from the financial impact of your donation/donated item, but also from the knowledge that there are supporters in the wider community who recognise their struggle.*

I will be pleased to talk to you further if you would like and can be contacted on 0404 461 258.

Please leave a message if the number is unattended and I will get back to you.
